where activists held a die-in and presented him a liver on a silver platter. when an early-abortion client
the white coat, the dismissive air, the authoritative tone, the "I'm the doctor" posture
if compressed air is used, then an oxygen mask or hood is needed as in a multiplace hard chamber
does running a well-established blog like yours require a massive amount work? I'm completely new to
blogging but I do write in my diary on a daily basis
